How can the Group help me?

Doncaster Advanced Motorists' Associates Courses are designed for motorists with no previous knowledge of Advanced Driving. The course provides theory and practical sessions, as well as reference books, to enable course members to bring their driving up to the standard required to pass the Institute of Advanced Motorists (IAM) Advanced Driving Test.

How does the Group Operate?

Our General Meetings are usually held on the third Thursday of each month. At these meetings we usually have a speaker - sometimes motoring related and sometimes not. For more details contact the Secretary. The Secretary should also be contacted for details of Associates Course start dates, and to reserve places on the course.

For more information, please contact [Paul Tuke](#).
