How can the Group help me?

The Group offer one to one, practical Advanced Driving guidance to all our Associates Members with the aim that the Associate will sit and pass the Advanced Driving Test. We run courses periodically, however guidance is available out with the courses if preferred. The courses generally last for six weeks, one evening per week, and each night consists of a combination of classroom and then practical work, with additional drives being available, if required once the course is complete. All practical guidance is carried out in the Associates own vehicle but a Demonstration Drive is available to new Associates which will be performed by an experienced Member of the Group in his or her own vehicle.

How does the Group Operate?

The Group meets every Wednesday evening at 7.30 in the New Farm Loch Community Centre in Kilmarnock. Although that is our normal time for Advanced Driving guidance, it is possible to arrange for this to be carried at other times of the week if that is more suitable.

For more information, please contact [Ian Purdie](#).
