How can the Group help me?

From Littlehampton in the West to Southwick in the East, and North to Pulborough, Storrington and Herfield, improving your driving is easy with Worthing Group of Advanced Motorists. Join us as an Associate member and we can offer **FREE** observed runs to help you make you a safer driver, and a driver who once again enjoys and takes a pride in their motoring.

[Buy a "Skill for Life" Online.](#)

How does the Group Operate?

The Observed runs, which normally last about an hour, are given in your car by one of our fully trained Observers. Both male and female Observers are available, evenings or weekends. Each session is finished with a debrief and a record card of your progress is updated. After 6-8 sessions, most members are ready to take their test, over 90% passing first time. The test is taken locally.

Socially we meet once a month. In the winter this is at All Saints Church Hall, Cissbury Drive, Findon Valley, Worthing, where we usually have a guest speaker. In the summer our outdoor events take us to various places around Sussex. You are welcome at any of these events - just turn up and make yourself known.

We look forward to you joining Worthing Advanced Motorists.
