

Hiring a Van

Most car drivers will hire a van at some time in their life.

Driving a van is very different to driving a car, and there are many pitfalls awaiting a driver who has not thought about actually hiring the van and how it is going to be used.

 [Hiring a van](#) (PDF 1.1m) gives advice to would-be hirers.

Hard copies of this leaflet in reasonable quantities are available from the IAM Motoring Trust via the email link at the foot of this page.
